They like a French place on Preston called Lavendreau (spelling could be off). I find this place ok.

If I were sending them someplace, I would spend my money at:

III Forks - DALLAS steak house. Always good.

Steve Fields - was one of the founders of Trulucks. Good steak and lobster. Live piano bar 7 nights a week.

Or

Oceanaire - seafood and oysters in the Galleria.

They are not into Farm to Table and do not like sushi. They also don't like to go downtown...all of these are within their stomping grounds.

If you need me to go buy the card, I will be back in Dallas on Wednesday.

But don't have a clue to what is out there anymore. Can you help? Where do they love to go but never go cause they think \$\$\$? Or where do they love and go all the time!? Either is great! Let us know ASAP if possible! Love, Les and ash
