Hi [REDACTED],

I wanted to share with Jeffrey some material that our development director just completed. It's a 20 slide "deck" which takes less than a minute to look through and a "One Page Summary" detailing what we are all about. These, together with our website [secondresponse.org](http://secondresponse.org) gives us a strong "public facing" presence as we expand our work.

If it's possible, I'd like to find a time to speak with Jeffrey before the end of the year to once again ask him for his support. I would be very grateful if you can pass this on to him.

Warm regards, and I hope your holiday is happy and healthy!

All good things,

William
