Randy & I have done NOTHING else all weekend, but pack and manage Christmas gifts! BIG JOB!

Your giant box of goodies is going to Lesley's address. Whenever it is that you all get together, open it and distribute according to labels and instructions included.

BUT, here's the deal – to make the big box work compactly, I had to stick in Cassidy's birthday present which is wrapped and labeled. BE SURE, to keep it OUT of the Christmas chaos! Set it aside and then PLEASE be sure not to lose it and save it for her birthday. It will be really fun for her to open it amongst her friends at what I'm sure will be some sort of special B-day party in her honor. It's pretty 'exotic'! And it's probably best if she doesn't even see the box ahead of time – she pretty savvy and may get a clue from the box ??? Please work that all out!

Ty's B-day present is coming separately. Randy says this is last one of its 'kind' that I can send him – he's getting too old for such 'cutesy' toys – but this one I just couldn't resist! Surely he'll like it – I LOVE it!

Love mom

:)
