yeah,... I checked my roll bag last year.

If it were going to be a clear night, I wouldn't mind walking. But the rain is a different story. I'll have to put my hair in a ponytail I guess . . . I really want to wear it down though...

gosh...not sure...agree it would be nice to get ready in apartment, but the ride thing is an issue...and even if you get Uber I'm sure they will double the cost cause of the demand....I might like the bus option to stay out of the rain. I really hate trying to schlep around the city in the rain now...especially if you want to look good. and the suitcase is not a big deal...can't you check it with the coat check pp? take a roll bag so you can roll it (even though probably too big for what you need!)

AWESOME!!!!

Thank you, Les! It's going to be yucky rainy night unfortunately. . . I'm not sure how I want to handle my commute to the party. . . I was hoping to go to the apt first to change and spiff up! But then I am perplexed on best way to get to the restaurant, as I won't be the only one trying to get a taxi or Uber. . . The company is providing a bus transportation service for those of us in CT that will drop right at the door. but it would be so nice to actually get ready in the apt. first (instead of quickly here in the bathroom at work!) AND, I can drop off my suitcase. What would you do??
