Great! Any wonderful memory/memories you have would be tremendous...here is a 'snip-it 'of one:

Around one table, in different locations, most of them exotic to me (even the town house in New York seems exotic with your special touch), you gather the most extravagant, influential, bright thinkers, magicians, musicians, linguists, philosophers and mathematicians, the most affluent people in the world and those who live on salaries and hope.

Outspoken and shy, colorful and straight, very young at the beginning of their careers and old well based achievers, presidents and princes, autistics and Nobel Prize laureates - all have one united characteristic in common "we are friends of Jeffrey".

It is like an "open sesame" code of a friendship. A group which doesn't have anything in common but one: they were all invited to sit around your table and talk, talk, talk.

There is no limit to your curiosity.

Hello Martin...

just circling back in hopes you will be able to help Karyna and me with Jeffrey's birthday gift of a short, one page story on sharing a meal with him in his dining room...below is original email...we are hoping to have these stories collected by early December so we can then bound them in a beautiful book for him...

Hello ...Karyna and I are asking a few of Jeffrey's personal friends if they could help us out this year with a special gift for Jeffrey's birthday (Jan. 20th) We are hoping you could write a short, one page 'story' on 'Sharing A Meal in Jeffrey's Dining Room...with Jeffrey and his friends' ...We are hoping you may have some fabulous, weird or enlightening story you could share...

We will then create a booklet of all these 'interesting stories' from all his 'interesting friends' to present to him!

Might you be able to help in our creation!?? Hoping so!!

Thank you,

Lesley
