Ok, great!

Just let me know if Leo will be coming to 575 to drive with Darren, or meeting Darren there. This way Darren knows whether to wait for him or not.

Thanks!

Les,

Do we need to ask JE first if I can go? (Unless dad is back).

Darren will be leaving the office at 3:15 to make his way to Auto Designs for 4:00 inspection. If it's possible, can someone please be there by 4:15 to drive the Denali back. Options are: Leo or Merwin to meet Darren at the office and drive together to the inspection, or, take train/bus (or whatever means of transportation) and meet Darren there by 4:15.

Please let me know so that in case no one can meet Darren at the inspection, he obviously won't drive his own car there (he will take a cab) and then he will drive the Denali back to JE's.

Thanks everyone!

Darren has an inspection for the Denali today AT 4pm...he is asking if possible for one of you to drive the Denali to the appointment to meet up with him...then drive it back when complete...I am still waiting for the address but I believe it is somewhere on 11th Avenue...

I think it's possible Jeffrey is back at the house by 4pm today from his meeting...but we will see...
