Hi Alice...Jeffrey has confirmed he would like Danny to come to Martin's Institute at 1pm this Sat. Dec. 5th! Martins office address again is:

1 Brattle Square, suite 6

as soon as I know which assistant will accompany him, I will pass along her phone number and email address...as Danny approaches the institute, he will need to call the assistant so they can come down and let him in! Thanks, [REDACTED]

Hi [REDACTED],

Hope you had a nice Thanksgiving holiday. Danny's back in Boston now, so had a chance to sync up with him about Saturday. He's a "go" for either 1 or 2pmET.

Lemme know your preference.

Cheers, Alice

Hi [REDACTED],

Hope all is well! Danny's traveling remotely today, so let me respond. Looks like he'll be in Cambridge on Friday, Dec. 4th, but has some firm customer meetings that day from 1-3pmET. What timing do you have in mind - perhaps something before/after that?

Also, apologies for the late notice, but I'd also like to give you our updated contact/email addresses below for the new company, Applied Invention (see below).
