I double checked and it was Kathy Ruemmler you met with!

...re the article for the NY Times...there is a reporter who is writing a story about Alan Dershowitz and Jeffrey...Jeffrey has had a few important people speak with the reporter and say nice things about him and what good things he does ...Jeffrey was hoping he could pass along your email address to the reporter so you could say some nice things about him as well!... the article is to be about how Jeffrey has (supposedly) negatively affected Dershowitz's life... so some nice things about Jeffrey would be great for the reporter to hear about...

please let me know if it would be ok to pass along your email address...thank you, Lesley
