Morning Lisa. Could Jojo, Jeffreys driver come around 10:30/10:45 to pick up the portrait from NYAA? Who should he ask for? Or could he call upon his approach and could you have brought out to him? That would probably work best.

That would be perfect. It's approximately 24 x 36 – I'll can send you the exact dimensions but yes, it should fit no problem.

Hi Lisa! Fantastic to hear the portrait of Victoria is completed. How large is it? Can I send Jeffreys driver in the suburban?

Dear Lesley,

I hope you are well.

I wanted to get in touch as Nick Gebhart's painting of Victoria is wrapped and ready to be picked up or delivered. It is stunning - I hope Jeffrey and Victoria will be truly delighted with it. I held onto the portrait as I had hoped we would be able to send you both Nick's painting and Bernard Garcia's painting of Karyna but as you may know from Jeffrey, Bernard has asked for a little more time to complete his portrait. He assures me it will be ready in the next few weeks.

Also, please know Kyeong remains very willing to paint the third portrait, if Jeffrey has a subject for him.

Please let me know if you would like to collect the Victoria's painting from the Academy or to what address we should deliver it to.

My very best wishes,
