Subject: Apartment Cleaning

Hi all...I know this was the first week back to our 'cleaning schedule', but please be ready for [REDACTED] arrival to your apartment on your given day/approximate time...We need to make the most of [REDACTED] time and when she has to wait around to enter your apartment it takes away from other things she needs to get done...please respect her time and be ready for her...We tweaked the schedule so hoping we will do better next week. If you don't want her to clean your apartment, please let us all know the day before if at all possible. We are also discussing to have [REDACTED] only clean every other week instead of every week...it may be best for everyone!

Schedule for Cleaning:

Tuesday's: [REDACTED] morning/[REDACTED] mid morning/[REDACTED] afternoon

Wednesday's: Karyna morning/[REDACTED] afternoon

thank you!! [REDACTED]
