Subject: Interest in The Gates of Hell (follow up)

Date: Wed, 04 Nov 2015 17:53:13 +0000

Hello...I spoke with a gentleman today in regards to possibly purchasing the Gates of Hell...he was going to follow up with an email...unfortunately, I did not get the name of this gentleman, but hoping this email will be directed to the proper person...I would love a 'synopsis' of what we discussed so I may pass along to my employer who is the one with interest. I had originally sent an email to Madame Avarre and I have left a message on a machine earlier today.

Thank you,
