We need pricing on the Rosemont Vancouver-The Lord Stanley Suite and the Rosewood Suite as well as the Executive one bedroom suite...can we get an attached bedroom to any of them? Are they available Feb. 15-19? Might they have any of their private residences available for this time period?

Suites at the Hyatt also please....

But he is all over me re the Conference room at one of the Fairmonts...(lecture room...room where you would have a small wedding dinner party type thing...you know what I mean!)

Thank you!! :) talk later
