Mandarin Pool Villa Offering a contemporary twist on a traditional Moroccan riad, our elegant one-bed villas exude an unrivalled sense of luxury and style. Designed as private retreats with accommodation spread over a spacious ground floor, each villa enjoys a rustic, yet sophisticated décor influenced by both Berber and Arab-Andalucian elements. Entered via tall wooden doors, guests are greeted by the sight of a spacious, walled courtyard surrounded by lush vegetation and scented flowers. Reflecting the importance of the outside in Moroccan culture, the courtyard features a stunning central pool and jacuzzi as its centrepiece, around which lie lanterns, an open fireplace and various sitting and eating areas. In addition, an external kitchen offers space for butlers to prepare food, whilst a curtained alcove festooned with embroidered white cushions is the perfect place to escape the sun. With glass doors leading from every room onto the courtyard, the flow between inside and outside is effortless, creating a wonderful sense of space. A haven of comfort and peace, interiors exude a sense of relaxed, cosmopolitan luxury with authentic Moroccan touches such as tadelakt plastered walls etched with Berber motifs, hand-woven rugs from Rabat and delicate lattice work. Lying at the heart of the villa, a sumptuous master bedroom combines a soothing décor with glass doors opening straight out onto the Jacuzzi and the latest in modern technology such as discreetly hidden televisions and a lighting control pad. To one side lies a comfortable living area with a working desk and sofa, whilst to the other, a huge light-filled bathroom features a circular bath, a powerful walk-in steam shower, vanity areas and a large walk-in closet.
