Spoke to Peter today (Greg Sanders no longer works there) from Taylor, Cotton, Ridley, Inc. I sent him the 2013 estimate that we received from Greg Sanders, which I have also attached for your reference, he said that he will take a look at the invoice to make sure there are no price changes on these items, specifically, as prices have gone up. He said it will take 2-3 days for him to get back to me but I will definitely follow up on this by Friday. He will email me pictures as well.

Daphne/Rich would like to see pictures of the doors...Can you ask Greg (or someone there) to please forward you pictures of the doors they are quoting? Add this to your To Do list :)

Greetings Gentlemen,

After waiting weeks for the revised quote for the hardware, and threatening today to go to someone else, Greg graciously sent the revised quote - hardware was \$24K, now \$19K.

I would like to table this project until next week, and at that time discuss PLAN B - purchase the fiberglass doors from the company (\$25K), and purchase and install more practical (economical) hardware once the doors are on site. DW
