Jeffrey, I thought that you should review the attached information on CamFIND, and if you are interested in discussing further or meeting, one of the founders will be in New York over the next few weeks. I am extremely impressed with this timely opportunity. Best, James

Mr. Epstein,

It's a pleasure to meet you by way of this email. We really appreciate your time and attention in learning about [CamFind](#), "The Google for the Physical World"

Our pitch deck (also attached):

<https://www.dropbox.com/sh/uuc3bx93q1xvyk3/ejQBz0OvdJ/Pitch%20Deck.pdf?dl=0>

Some highlights and updated stats:

- [CamFind](#) (B2C) has processed **35M+** visual searches, and our [CloudSight](#) platform has now processed **180M+** images (B2B)
- We are currently powering the visual search for **Kohl's** and **WalMart**
- We were featured on [BBC](#), [Forbes](#), [Time](#), [INC](#), [Yahoo JP](#), [VB](#), [TheNextWeb](#), [eMarketer](#), [Geektime](#) and many more (*click on the links to read the stories*)
- Raised **\$6.66M** in seed funding, including \$500,000 of our own capital.
- Have signed agreements to be integrated on over 300M+ mobile devices
- Over **30 filed patents**
- Over **2.6M** downloads for our visual search app CamFind with over 80% of reviews being a perfect 5 out of 5 stars
- **4** of our very active **advisors** have **sold** their companies for **over \$380M**

Here is a statistically significant **comparison** of our accuracy to **Google, Amazon, and Baidu** which was independently graded:

93.69%	12.20%	10.04%	14.06%
CamFind	Baidu	Amazon	Google

I can send the financial model and any additional supporting documents in a follow up email, if you're interested, since some are a bit too large to fit here as an additional attachments.

Best,

Dominik
