Please see below from Lawrence...should we offer him a ride on your boat with Carlos?

Bebe,

at the risk of abusing your kindness, I don't know if it is possible for you to scout something else out for us. We were thinking of booking a small boat and captain for a day of exploring the islands. I don't know if you can find out some possibilities. Probably I can find that out when we get to the hotel as well, but no harm being prepared if it is possible to do it in advance. If that is not something that can easily be done at your end, no worries.. you have been very helpful as it is.

Thanks.

Lawrence
