Hi AGAIN! ;)

I usually have to be at my current desk by 8am. Any chance Jeffrey's available one evening the week prior or wants to see me even earlier that morning? If not, I totally understand and will make it work! I remain very appreciative.

Many thanks,  
Jen

Hi [REDACTED],

Good to hear from you again and obviously, no worries re: the date!

Is Jeffrey available any earlier or further toward the end of the day on October 6th, by any chance? [REDACTED] working presently so midday is a little harder for me to slip out but if not, I will make 11:00am work.

Many thanks for your continued help!  
Jen
