---

below is the Delta flights you found ...I had investigated this option also, but very \$\$\$\$.  
The one I found keeps her on Aeroflot which is the airline we had previously booked so  
price tag total was around \$650 total to change including the new ticket from STT to Miami  
Please advise which ticket I should change to...

1 DL 676 26SEP STT JFK 0135P 0534P  
1 DL 48 26SEP JFK AMS 0759P 0940A  
1 BT 610 27SEP AMS VNO 1230P 0415P

TOTAL FARE - USD 2843.00 fully refundable coach fare.

Return with Aeroflot is a lost, it was non refundable fare. With Americans will be credit fro  
one year since the ticket was issued minus 200.00USD change fee.

[REDACTED] could take he 8:05am flight with me and Bebe to Miami on Saturday. From Miami she would need to  
take a different flight than us (we are going to LGA. She needs to get to JFK)

We land 11:13 Miami

She would take AA#64 depart 12:40 arrive JFK 3:33pm. Then Aeroflot #103 departs JFK 7:10pm arrives  
Moscow 11:25am on 27th. Long layover in Moscow. Aeroflot #2108 Flight departs 8:45pm arrives Vilnius at  
10:20pm. Cost to do all of this is about \$650. Please advise
