Hi [REDACTED] and Antoine,
They just told me at the embassy my current Schengen visa will work for St. Bart, even though last time I was told I would need to apply separately for French overseas territories.
Anyway, all good, I don't need the papers anymore.
Sorry for all the work for nothing..
And thank you again for your help!
Karyna.

Ok. Hoping he can find an amazing employee to go the extra step for him (and us!). Karyna's appointment with the embassy is right now (9:30am). Hoping they will start the process of her visa knowing she will bring the proof of accommodation letter back to them on Monday. (Or today if we can get it!). Thanks Antoine.

Hi Emmanuel...might you know when we can expect to receive your letter from the hotel? We are in need as soon as possible...Karyna has her appointment with the embassy for her visa this Friday Sept. 18th in the morning...she must have this in order to apply...I don't mean to be a pest! You are helping us out tremendously...just hoping we can have no later than tomorrow...

Thank you, Lesley
