Antoine has a friend that owns a hotel on St. Barth's...we are asking Antoine if his friend with the hotel could write a "proof of accommodation" letter for Karyna for Oct. 3- Nov. 3...Antoine is questioning 'would Karyna really stay that long in a hotel?' Do we need to adjust her dates? PLEASE ADVISE

(A letter from a friend seems more in depth than just a letter...below is from the website, Antoine wasn't sure who he could get on St. Barth's to get the paper needed:

if you are staying with family or friend(s) you must present a certificate of board and lodging "Attestation d'Accueil", which has to be obtained by your relatives or friends at the city hall ("Mairie"). The original needs to be stamped by this consulate to be valid and should be presented upon arrival in France.
