Hi Leslie

Thank you very much.

Please ask Anthony whether this is a real piano with Hammers and chords or an electric synthesizer "looks like" a piano.

I want to bring a real Upright Silent Piano.

Try to check with him asap and inform me.

Thanks

Ehud Barak

Nili, I just spoke with Anthony and he actually said you should coordinate with Andrew, the superintendent of the building:

Andrew's email: [REDACTED]
Andrew's cell: [REDACTED]

On another note, Anthony says he has an electric piano in his mothers apartment there and would be happy to let you borrow it...he could have Andrew bring it to you...if anything, you could use it in the interim!

Thank you for your answer. Following question - does an upright silent piano (that you can play with earphones) works as well or only a synthesizer?

Nili, Jeffrey says a synthesizer piano would be fine but a regular piano is not. Hope that works for Ehud.

hi Lesley,

A question: is it allowed to bring a piano in? Ehud would like to rent one, but we have to be sure that it is not against the rules .

thanks
