OK, thanks... had a very nice time. My sister lives in the 'sticks' so very happy I saw your email before we left!

...a couple of things:

-Question 19: We are asked for "the term of visa validity" since you requested "multiple" I put Sept 11, 2015 to Sept 11, 2017...but said the "term of stay" will be 5 days. I am not sure if this is correct ?

-Please make sure the passport # on this form matches with what you are taking. I am almost positive we swapped the 10 year passport back in to JE's black bag and put the 2 year one in Jeffrey's private box in his bedroom (?) But if not and we need to change the number on the application to match the 10 year one, let me know.

I will scan and email the form next...!!

- Name of inviting organization or person? (is this to be you?)

- Address of inviting organization or person?
- Address of stay in Belarus?
- Did Jeffrey ever go to the Republic of Belarus? (i don't think he ever went? but if he did, we need his previous dates that he went)

Hi Lesley,

Jeffrey wants to get a new Belarus visa. He wants me to go to the embassy tomorrow morning, since I am leaving Wed night for Paris. Can you please have all the papers ready for tomorrow. He will be applying for visitor's visa ( private visit) with expedited processing time. All the info should be the same as last time. Please see the requirements below:

[http://usa.mfa.gov.by/en/consular\\_issues/visas/](http://usa.mfa.gov.by/en/consular_issues/visas/)

I will do the letter of invitation at the embassy.

Thanks,  
Karyna.
