Hi Lesley, everything is going well so I didn't bother you.

Just one thing- I fixed with Tess the cleaning lady that while we're here she will come twice a week- Tuesday & Friday. She did so last week. Today she didn't come and she is not responding. Can you please check?

We will leave Saturday night and leave everything in the apartment.

I will let you know when we will come back.

Is it Okay?

Nili
