Joe, please send the raw data to:

Jeffrey Epstein
9 East 71st Street
NY, NY 10021

Please let me know when you send so I can tell the houseman to keep an eye out for it...let me know how you will send as well (UPS, Fed Ex, regular mail...)

Re a call, would Wednesday June 10th at 10am be good for you?

Hi Lesley, I'm completing analysis on his genomic data and I'm almost done. I expect to fully complete Jeffrey the first few YPO CEO's by the end of this week. I'm going to start scheduling calls with everyone to return results. (My apologies again to Jeffrey for the wait.)

What's his availability for a phone call next week? All of next Monday and Tuesday morning is booked up but I can probably work around his schedule the rest of the week. We can also do the following week or later if that's more convenient for him.

If you have a mailing address for where he'd like his raw data sent, I can get that ready as well.

Thanks,
Joe
