Subject: Table cloth for JE !!!

Date: Wed, 27 May 2015 15:46:50 +0000

Hi everyone ,

2 table cloths is getting ready this afternoon . This is for JE 's dinning room table . I'm afraid it's gonna be very heavy for me to bring it to the house . May I ask you maybe Leo and Merwin to pick them up ? It's 18yards of fabric each . Not sure that I will be able to carry that .

The place located at 3rd Ave and 58th st .

Please let me know .

Otherwise I have to do it by myself .

Thank You
