>> Hi Larry!! I can put you and Dave in 10B and 11B...the only thing is, we will need to clean both on Friday as we have guests arriving on Monday May 25 and no one cleans over the weekend...so y'all can stay starting tonight up to Friday morning...does that work for you? I am not sure when JE plans to leave...I changed the hotel reservations at the Andaz Hotel in Japan to May 25-June2...but I still don't know if he will go...have you heard anything?
