I think he will stay in NY until Thurs or Fri that week (Karyna graduates on 20th and the reception is 21)...he is supposed to go to Japan on May 21, but I don't know where we stand with that...I told him we must cancel the hotel or provide them his exact dates by Monday May 18 or else we will be charged...he asked me to remind him of this later today...if I get an info you know I will pass it along

Jeffrey will have Woody, Noam and Valeria for dinner same night at the house at 6:30pm...then Noam and Valeria will fly back to Bedford via Jet Suite (Jojo, I am sure you will need to drive them to the airport)
