That's great, Please check the salary range for me ,also I forgot to ask, Is there travel on this role, and if so to what extent,, And finally would the person be working out of the NY office? I ask because many times these event planners visit locations for venues,, etc,,

Hi Leslie, Thanks so much,I will work on it ,, no worries. If you can happen to find out a salary range it is helpful, I realize he may have flexibility,,but I want to keep it within a range that Mr Epstein is comfortable with for the position,
