The only other time I can do is Friday, which may work for all the guys also. Or possibly Saturday?? Friday would be perfect if JE and of course Woody are available. DAMN again... Oh well, now o don't have to worry about plane landing late.

Oh - and one more thing - from my wife - she wants to know if there's a hair dryer in the apt? I recall there is, at least in the last one I was in. Doesn't want to pack one if she doesn't have to, and if we get there and there ISNT one... Well, you know how women are.
