Your guy is better deal! Sal wants to take a cut like you thought. If possible, I prefer the SUV with the heated back seat (the one for slightly more \$) but I will be super happy with either. Thanks rich!

[REDACTED]:
The MSRP of the vehicle we discussed is \$65,424. We can offer a Selling Price of \$62,153.75 which represents a 5% discount off the MSRP.
We will check availability and if you are ready to make the deal, the car should be here within a week.
Please let me know where the car will be registered, as taxes and registration fees are regional and will be added to the final amount.
Regards,
Sal
