[REDACTED],

One seat became available on the tomorrow's flight for [REDACTED], if we change it the new round trip fare will be 4387.60USD. Please let me know if you are still interested. I didn't make any change yet due to a big difference in fare. Ticket was actually - original ticket with coach on the first leg - issued today at 2026.00USD.

I can't guarantee availability in business for that one seat and I could not hold it due to it will be duplicate.

[REDACTED],

One seat became available on the tomorrow's flight for [REDACTED], if we change it the new round trip fare will be 4387.60USD. Please let me know if you are still interested. I didn't make any change yet due to a big difference in fare. Ticket was actually - original ticket with coach on the first leg - issued today at 2026.00USD.

I can't guarantee availability in business for that one seat and I could not hold it due to it will be duplicate.
