Mika in Joi's office has sent the documents you girls need to apply for your Japanese Visa's via fed ex to me... they are to arrive tomorrow to the office. Please finish up your applications....you will be able to apply this week!!

If you have any questions you can always call [REDACTED] (Visa HQ) They have been very helpful to me when I have had a question. The web address again:

https://japan.visahq.com/requirements/Belarus/resident-United_States/#!/japan-business-visa (for Karyna)

https://japan.visahq.com/requirements/Russia/resident-United_States/#!/japan-business-visa (for [REDACTED] and [REDACTED])

The website says you can pay with a credit card!! It is \$246.00

Once I receive the documents tomorrow I will let you know...I think you should go to the office in person and apply for the visa...they are open M-F from 9am to 5:30pm...
