Hi Rich & Lesley, I don't know how Nick made out today. He sent me the note below, He is very interested in the role, He wanted me to know his work schedule and how it aligns with the possibility if he was called back for another round .He wanted to let us know his availability in advance so that it could possibly align with Mr Epstein's schedule. That of course only applies if he is a considered candidate.

Russell

It was wonderful to get to know you throughout this process. If Mr. Epstein is interested in meeting a 2nd time like he said, I will be in Malibu from Tuesday the 28th-1st. Not putting any pressure on anyone, just wanted you to know my schedule. Thanks again
