Good morning Mika...Could you please start working on *B for us! We will need all...The will stay at the Andaz and I can provide you the flight itineraries today. All the assistants are female. I am asking for the girls exact spelling of their names (because sometimes they change the spelling to 'americanize' them!) Will get back to you...below are their cell phone numbers:

Karyna Shuliak [REDACTED]
[REDACTED]
[REDACTED]

The best number for them will be the number for the Andaz Hotel and their room numbers. They will stay at the Andaz for the entire stay (however, I do not think it will really be the entire time but we need to have a padding of dates)

Thank you so much! [REDACTED]

- b) 2 photos
- c) Passport
- d) Certificate of employment

- c) Letter for guarantee (sample on attached)

The applicants themselves apply with all the above documents, at a Japanese Embassy or a Consulate-General of Japan in the cities nearby.

*The above info is for a single entry visa. For a multiple entry visa, you have to prove you have a close relationship with Japanese companies, such as you are an employee of the subsidiary or something like that. The details for multiple visa:

*Please let me know if we need to arrange B). If so, we need the following info to fill out the letters.

I) Each applicant's nationality, occupation, full name, date of birth and male/female

II) Complete schedule of stay - flight info, planned activities, contact names and numbers (if available), accommodations on each date in Japan

And please let me know which address (of your office) we should mail those letters to.

*Btw, if Jeffrey is US citizen, he doesn't need a Japanese visa.
