Fantastic! thank you so much Russ...

Jessica, I will send you the make/model numbers and a picture of one of the screens in the following email...

Hi Lesley,

Thank you so much for reaching out to me regarding this donation. I have cc'd Jessica in the main office in hopes that she may have a suggestion for the donation and/or a consult person. I recall a staff email circulating usually during the springtime that requests gently used technology, and I feel this may be a relevant consideration.

Please let me know if I can help in any other way. Thank you!

Russ

Hi Russ... [REDACTED] business has about 50 used flat screen monitors they would like to donate....I wanted to see if South School might be able to use any/all of these...could you direct me to the proper person to consult with by chance?

Good luck tonight at the basketball game!! Ty wants to go but has baseball practice at a facility in Norwalk...I am not sure he will be home in time to make it...

Thanks, Lesley
