---

HI Jessica...I have attached a picture of the monitor...from what I understand they have about 15 now and will be getting close to another 50 more...my husbands office is upgrading, but I am told these monitors are gently used and in good condition! Please let us know if these are something South School could use...thank you, Lesley  
[REDACTED]

Manufacturer: LG and NGC

Model: LG-W2046TW and NGC-E201W-BK

Comments: We have the monitors, we do not have stands.
