Hi [REDACTED]

I wanted to follow up with you regarding some documents I sent to Jeffrey back in December. To further help Jeffrey I am providing an accrued interest statement and a summary of the OID previously issued under the note. Please share both items with Jeffrey's tax advisor so they can determine the extent of the loss he may be entitled to.

2003 - \$1,842.20
2004 - \$10,990.50
2005 - \$15,156.43
2006 - \$15,237.40
2007 - \$17,292.27
2008 - \$14,481.20

Please let me know if Jeffrey has any questions in the interim and I look forward to receiving the signed documents.

Kind Regards,

Daniel

Subject: Founding Member Note & Amended Membership Plan

Dear Jeffrey,

We have been very busy over the summer and fall working on addressing some critical issues as to the Club's financial challenges. At this time we are reaching out to you to address and finalize these matters. As you will see from the attached letter, we are seeking to conclude the disposition of your Founding Member Note and certain necessary changes as to your membership in the Club---all of which are designed to allow the Club to continue to operate.

We have enclosed for your review a detailed letter explaining the reasons associated with these matters as well as our need to accomplish this in a time sensitive manner. In addition to the letter we are providing you with a Settlement & Release Agreement to permanently dispose of the debt and provide you with the mechanism for tax relief as your tax advisor would recommend. The Settlement and Release Agreement requires your signature.

Please note that we are asking you to review the enclosed letter and agreement, and turn this around (with the return of the necessary documents) no later than Dec 31. We are more than happy to facilitate assisting you in this regard.

If you have any questions as to anything contained in the letter or the attachment, we encourage you to reach out either to Jennie, Anthony Scaramucci or myself.

We greatly appreciate your prompt attention to these important matters. Finally, our most sincere best wishes for a wonderful holiday season and a very healthy, happy New Year.

Warm Regards,

Daniel
