Hi scott glad the sink works now! Shovel to the left side of house and through the left gate
They deliver the oil somewhere near that side door off the mud room! Happy shoveling

sure what he did, but it works.

> I received a note from the oil company. They can reach to oil line (pipe) to refill the
tank. I'm going to shovel a path. I assume the oil line is: when looking at the front of the
house, on the right side near the gate. Is that right?
