Ok, we have our answers. The bed that was originally "up for grabs" is gone, but that is ok...just want you guys to be aware.

Hi there,

So attached is the leftover furniture in 3B. The bed you originally sent me a picture of was not there? Maybe someone else took it? Also, the super said that he thought we were taking these items. If they don't belong to someone I can check with Eva if she would like them, but if they do that is fine too...

Thanks.

Kim
