Subject: ALERT-JE is NOT coming to NY today...

Date: Wed, 14 Jan 2015 16:06:09 +0000

Plans have changed...Jeffrey will not be coming to NY today...I am canceling his flight.

If the plane can be fixed he might come to NY tomorrow...but he is on the fence with this...by the end of my conversation with JE he said he would probably stay on LSJ until his birthday and fly to NY that night (Tues. Jan. 20th)

for time being, plan on his coming tomorrow so you are prepared...knowing this may change...
