Spoke with Chester...this depo will be done via Skype...neither he nor the other attorney will be present, but a court reporter must be to put you under oath as well as take the transcript. Chester suggests your office on STT is a very safe place to do this. Because a court reporter must be present, we must also provide an address to Chester for the depo. Did you want to do this at the STT office? Chester is still checking on the March 26th date you have proposed...

Chester Brewer needs to coordinate a date for your deposition in the Sitrick mess...he says you can do it at your office on STT or at Erika Kellerhals office if you like...the dates available are March 17-26...might you be able to give a date that would work for you? He says it should not take long...
