Hello [REDACTED],

I am very glad that you can help us!

Sorry for all this confusion!

Since Joscha is at the Chaos Computer Congress Hamburg right now and I stay here in Berlin with kids it is sometimes difficult to coordinate everyone.

Since I will probably stay in Berlin while Joscha is at the Conference In Munich we don't need flights.

If you could book the flight Lufthansa Frankfurt to Boston January 21 non stop and the flight back for July Frankfurt Berlin via Frankfurt would be perfect!

Joscha will travel to Munich by train. I will travel with the kids to Frankfurt by train too. No flights to Munich then!

Long Distance Travelling with Toddlers is quite a challenge. It will be much easier this way!

Thank you very much for your help and understanding!

Please let me know, after you converse with [REDACTED], if these flights are acceptable. If not, and you need to do a train somewhere, might you be able to provide me with the exact flight numbers and train information that you wish to take? It would be very helpful. Thanks so much, [REDACTED]

booking, though, because she is concerned with the long layover at CDG and her bad experiences with Air France in the past. If possible, she would very much prefer to go direct via Frankfurt with LH (and go by train to Frankfurt) on the 19th, and back to Berlin from BOS on July 21st.
