Hi les, today is hectic because I just found out I am accepted to parsons but my lawyer thinks I will not get the immigration paperwork done in time. I am running to British consulate and international office of school and then have to buy gifts for Jeffrey niece and nephew , [REDACTED] child, offices of magnani and Merrell , Dr magnani, Melanie at leons office,  
So furniture pics would probably only be possible tonight.

Hi [REDACTED]. Could you help? Either take pics of all the furniture or coordinate taking this person around that kim could send? Thing is you would need to stay with this person. May be easier for you to just take the pics yourself? I know [REDACTED] wants bedroom furniture from 10B and 11B. And maybe some other stuff. Please let me know as we are trying to coordinate getting rid of the furniture by dec 27

Hi Kimberly. We will have lots of furniture from our apartments available very soon (we are getting all new furniture).. We are looking to get rid of the old furniture by dec 27 or so. [REDACTED] had said she would like some furniture. Would it be possible to coordinate her taking what she wants? Beds, tables, mirrors, etc. Does she want it all? Does she want to send someone to have a look and decide what they want?
