I am pretty sure they spoke.

Thanks again!

Ok. Sorry about that. Hoping Jeffrey will try again. But let me know if they don't connect and we can try again.

Thanks, Lesley.

We probably missed his call by about a minute. He didn't call that early - it was just before 9 am.

Again, thanks for your help.

HI Catherine...sorry we had such a bad connection...I had reminded Jeffrey this morning around 8:30am that Leon was hoping to speak with Jeffrey today and should be available around 9:30ish...I provided the office number because I figured if he called that number he would reach you and you could connect...I did not realize he would call you so early however! I just emailed Jeffrey again and let him know Leon should be available around 9:45am and gave him Leon's home number and requested he dial that...hoping that he will!

Thanks, [REDACTED]
