Dear Mr. Jeffrey Epstein

JC Chandor's third film, (Margin Call, All is Lost) A Most Violent Year, was received with unanimous acclaim recently at the AFI Festival in Los Angeles.

This young, gifted director, in the vein of Sydney Lumet, examines New York City during the winter of 1981, statistically the most dangerous year in the city's history.

Please join our hosts and director J.C.Chandor for an extraordinary cinema experience and a fun night at the movies.

xoxo
