I spoke to [REDACTED]. She wondered if you might try until say Monday/Tuesday to get the 128G, and if not then the 64G is ok. Also, just a thought... maybe you want to check with cell phone stores and Best Buy. My mom recently went into AT&T and they just had a ton of them. Also, as a reminder she has AT&T as a carrier.

Thanks.

Kim

Kim is going to check with [REDACTED] if she would like size down or if she would like to wait until they get the best in stock. They told me to check back every day so that is what I will be doing if she decides to wait. I know Jeffrey would want her to have exactly what she wants.
