Hi [REDACTED]

Thank you for trying to help! It would be really great if you could do something...

We don't need all furniture, our apt is very small. Basecally, we will need two queen beds, two dressers, two bedside tables and lambs for the tables, two desktops, one sofa,one coffe table and dinning table with chairs and kitchenware in case if you are going to replace it too (electric kettle, coffe maker, kitchen appliances, cups and dishes and etc)

Let me know if we can take something to begin with.

Here I attached pix form 10B where I am staying at the moment and one pic (w white bed and dark wood bedside table) from 11 (don't remember which one) I will ask [REDACTED] . I liked most furnuture (all attached pix) form 10B although I have't seen all Furnuture that will be replaced so difficult to say. The pic form 11 (?) I liked the bed and two bedside tables (to take when is available)

Let me know please if you know or hear something form JE or Gregory. Thank you very much [REDACTED]!

Ps let me know or call if you have difficulty in understanding my message)))

Hi [REDACTED]...can you tell me what it is you are in need of when it comes to furniture? Our problem is the new furniture is still not expected for 'weeks' I am told...I know you had said you need a bed...is that the main concern? but please, give me a list of what you need...I will have to go to Jeffrey with this...if we let you take furniture, we will be down an entire apartment...but he may be ok with that...

But before I can do anything, I need to know what it is you hope to take...send me a list as soon as possible...

Thanks, [REDACTED]
