Good morning Gregory,

I was out of the store.

Rosana got a great quote for the whole cargo, white glove to a central warehouse in NY and different shipments to the apartments, as she explained to you over the phone. I am sure she will be able to revise the freight information, since the client decided to split the cargo in 2 shipments from Miami.

Please have in mind the new request to separate the freight was recent and there are a lot of items to consider, once the freight company answers Rosana's request, we will send it to you ASAP.

Thank you,

Eduardo

Rosana,

I am just back from my trip and I still do not have a delivery schedule for the furniture for NYC and Palm beach

that you promised me before I left over a week ago.

My client is very anxious and impatient to have a schedule by monday at the latest.

Please make sure this happen as soon as possible.

Thanks,

Gregory
