As we approach Christmas we are going through very exciting times at Capstar. We have taken on new Chauffeurs, are launching Capstar Aviation and looking forward to 2015, which remarkably will be our third calendar year! We were so proud in November to have received the three trophies from the QSI Professional Driver Awards ceremonies and are looking to add to these next year.

From all at Capstar, we wish you a very Happy Christmas and here is to a great start in the New Year!
