apartments today. Also, could you change the code on apts ████, ██, ████ as well. Please please
make note of each new code and send to me!! I am keeper of the codes ;) Lyn has been asking
forever to change the codes and I agree it is probably time!
>>>>>>>>>
>>>>>>>>> Sounds like ████ or █████ should have the instructions to change the codes. If not,
you can get the make and model number of the lock off the lock itself and google the
instructions.
